

Academy of Surgical Research: Continuing Education Requirements

- Must to be a member in good standing with the Academy of Surgical Research by submitting membership dues yearly.
- A minimum of 15 CEUs per 24-month period is required to maintain a single certification. There is a limit of 8 CEUs for in house training. You need to have CEUs from other sources.
- If an individual wishes to maintain dual certification (SRA along with either SRT or SRS), then 15 CEUs must be submitted yearly with each certificate being renewed on alternate years. The CEUs must be earned in the year immediately preceding the renewal to assure that separate CEUs are being earned for each certificate.
- Document all activities that apply on the CEU Form and return the completed CEU Form by December 31st of the second year of your 2 year renewal cycle. **Include supporting documentation (see below).**
- All certificates will be issued after December 31st but prior to January 31st of the following year if all requirements are met.
- **The subject matter must be relevant to surgical research** (anatomy, physiology, analgesia, anesthesia, surgical techniques, radiology/imaging, minimal invasive techniques, emergency techniques, regulations); no credit shall be earned for business or management seminars. The acceptable categories are identified below.
